

A photograph of a young man with short brown hair, wearing a light blue button-down shirt, smiling as he looks at a tablet computer. The background is a blurred office setting with a plant on the left. A blue line graphic starts from the bottom left of the image and curves upwards towards the right, ending near the man's tablet.

My Sustainability Score

Transform your workplace, engage your employees, and reach your sustainability goals

Take the first step towards a sustainable workplace with Capgemini's **My Sustainability Score** - a tool designed to inspire change and engage your workforce in creating a more sustainable future. By integrating technology and sustainability, we empower individuals to make impactful decisions for our collective future.

How My Sustainability Score delivers value

- **Engage and motivate your Team**
Through gamification features—such as points, badges, and challenges—employees are motivated to embrace sustainable habits. Foster a sense of friendly competition while building a strong community of change-makers.
- **Achieve measurable environmental impact**
Gain real-time insights into how individual actions add up to your organization's sustainability objectives, creating accountability and ownership among your team.
- **Data-driven decisions for leadership**
My Sustainability Score analyzes employee behaviors, providing actionable insights for

decision-makers to fine-tune and enhance your sustainability initiatives over time.

- **Seamless learning experiences**
Provide employees with continuous access to curated content, daily tips, and campaign updates across multiple platforms. This ensures they stay informed and motivated on their sustainability journey.

Features that make a difference

- **Practical, educational content**
Deliver tailored sustainability tips and educational resources that inspire employees to take action in their daily routines.
- **Trackable employee actions**
Allow employees to monitor their sustainability contributions, giving them a clear view of their personal progress and impact.
- **Real-Time environmental tracking**
Show employees the tangible results of their actions, reinforcing the importance of sustainability with real-time feedback on how their behavior is helping the planet.
- **Integrated across channels**
Whether through virtual agents, SharePoint, or internal platforms, My Sustainability Score seamlessly fits into your organization's communication tools, making it easy for employees to stay engaged.

- **Gamification to drive participation**

Keep employees involved with fun challenges, point systems, and badges that encourage continuous engagement and reward eco-friendly behaviors.

Every employee's sustainability journey is unique. **My Sustainability Score** customizes education and actions to each user's habits and progress, making sustainability efforts more relevant, relatable, and achievable.

Why choose Capgemini?

Capgemini is recognized as a global leader in sustainability services. Our commitment goes beyond mere compliance—we are setting ambitious goals and leading by example.

- **Net Zero by 2040:** Aiming for carbon neutrality ahead of global targets.
- **10M tons of CO2 savings by 2030:** Helping clients reduce emissions on a massive scale.
- **80% sustainability training participation:** Most of our employees have undergone comprehensive sustainability training.

Our approach:

- **Scale:** Equip your workforce with the tools and knowledge to drive change through comprehensive training.
- **Accreditations:** Recognized for sustainability excellence by major standards bodies.

- **Commitment:** Transparent reporting on our sustainability progress, with clear goals and milestones.
- **Thought leadership:** With over 75 sustainability reports, Capgemini is at the forefront of responsible business transformation.

Engage your workforce. Drive real impact. *Make sustainability fun!*
